

Let us pray:

Father in heaven how excellent is your name in all the earth. We exalt thee all powerful, almighty, all seeing and all-knowing God. We come before your presence with singing and we enter your courts with praise. As Fellowship's sanctuary is under construction, we your children are in a constant state of renovation and undergoing construction. We thank you God that you are perfecting us by changing, rearranging and improving those areas in our lives that require the handiwork of the master craftsman. Just one touch from you, Lord, will make everything alright – the old things will become new and we will come forth as pure gold. Lord God, we repent of all our sins and ask that you cleanse us from all unrighteousness. We pray that as we are being reconstructed that you will be with us every step of the way – guiding us, convicting us, walking with us and showing us daily your grace and mercy. Lord, we know that through your mercies we are not consumed, your compassions never fail, they are new every morning and great is your faithfulness unto us. As we grow in you, we will continue to give you all the glory, honor and praise. It's in the name of your son, Jesus, that we pray. Amen
