RE: Letter to Suspend All In-Person Activities

December 24, 2021

Greetings.

With an abundance of caution for your health and safety and due to the recent rise of COVID-19 cases related to the Delta and Omicron variants, we regret to inform you that Fellowship Chicago is suspending all in-person gatherings until further notice. We apologize for any inconvenience this update may cause you and your family.

Since March 2020, Fellowship Chicago has worked tirelessly to prioritize your safety and well-being and we will continue to do so. With that being said, we invite you to worship with us on Sundays and Wednesdays aboard “The Virtual Ship” via our social media platforms (search “Fellowship Chicago” on Facebook and YouTube).

We encourage you to be vaccinated, receive your booster shot, and/or take a COVID-19 test so that you can protect yourself, your family and your community during these unparalleled times. As we journey forward, remember that one of the names of Jesus is Emmanuel, which means “God is with us”.

We Love You All!
