Discussion Questions

1. How was Achan discovered as the one who violated God's covenant?
2. What were the consequences of Achan's sin?
3. Why was Achan's family killed along with him?
4. What happened when Israel cleansed themselves of the sin of Achan?

Today, we learned how deadly sin really is. Achan's entire family was destroyed because of his sin against God. The Bible says that God is just and must punish sin; however, He is also merciful and doesn't want to punish us. You may be wondering how God could punish our sins but not us. How can we cleanse ourselves from our sins? We will see how God solved this dilemma by sending His only son, Jesus, to live with us.
